

PATROL GAMES

v.2010.08.28

Download/update at kurtelieson.com

*This website only went live in July 2010, and there is a lot to post.
This collection should be in good shape by the end of 2010.*

The focus of this collection is on teambuilding games that encourage a patrol leader to coordinate the joint efforts of his boys. A good teambuilding game gives a patrol leader something to do and makes his boys willing to cooperate. You can get by on a rotation of 10 good teambuilding games, and 25 should be plenty. But good teambuilding games for 11 to 14 years olds are hard to come by. Here is the list we have come up with for our boys to select from as they plan. Remember that you will get more enthusiasm for anything if you stopped last time while it was still fun. Suggestions are welcome via [email](#).
